

**Advances in Facial Restoration and Rejuvenation: with Cadaver demonstrations. Sponsored by the American Society of Maxillofacial Surgeons and ASPS**

***New Orleans, Louisiana May 12-13, 2012***

Workshop Lecture: The Use of Structural Fat Grafts in Maxillofacial and Craniofacial Procedures

Workshop: Cadaver and Clear Silicone Model Demonstrations of Structural Fat Grafts to the Face

**American Society of Aesthetic Plastic Surgery Annual Meeting  
*Vancouver, Canada May 2012***

Course Lecture: Volumetric Manipulation for Periorbital Rejuvenation

Lecture: Marking Demonstration Live

**First Meeting of the International Society of Regenerative Plastic Surgery (ISPRES)**

***Rome, Italy March 2012***

Chairman of Scientific Program Committee

I acted as moderator for around half of the session

Lecture: The Development of LipoStructure since 1986

Lecture: Separation of SVF with Ultrasound

Panel: Safety issues with fat grafting, SVF and ADSC

Lecture: Catastrophic Complications

Panel: Management of Complications of Fat Grafting

Lecture: Animal Studies of Human Fat to treat therapeutic radiation injuries and acute thermal burns.

Moderator and Lecture: Facial Fat Grafting

Lecture: Treatment of Iatrogenic Liposuction Deformities and Buttock Augmentation with Fat Grafts

Lecture: 16 years experience with fat grafting in the breast.

Round table discussion: How to Avoid the Learning Curve in Fat Grafting to the Breast

Lecture: Shaping the Breast with Fat Grafts

Round table discussion: Failures and Complications in Fat Grafting to the Breast

**The Cell Society**

***San Diego, California February 17-18, 2012***

Lecture: Evidence for the Mechanisms of Wound Healing with Transplanted Fat

Lecture: Stromal Vascular Fraction

**University of San Diego Visiting Professor**  
***San Diego, California February 16, 2012***

Grand Rounds Lecture

**American Alpine Workshop in Plastic Surgery**  
***Telluride, Colorado February 12-15, 2012***

Lecture: Treatment of Dog Attack Victims with Structural Fat Grafting

Lecture: Mycobacterial Injections after Fat Grafting

Lecture: Treatment of Large Infected Cheek Defect after Silicone Implant Removal

**ASPS/ASAPS Expanding Horizons Symposium: New Paradigms in Aesthetic Plastic Surgery**

***Las Vegas, Nevada January 27-29, 2012***

Lecture: The Role of Structural Fat Injection In Facial Rejuvenation

Panel: Complications & Poor Outcomes after Facelift and Fat Injection: How to Avoid Them

Lecture: The Role of Fat Injection In Rhinoplasty

Lecture: Shaping of Tuberos Breasts with Fat Grafting

**University of Pittsburgh Medical Center**

with the Armed Forces Institute of Regenerative Medicine

***Pittsburgh, Pennsylvania January 19, 2012***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD and teaching UPMC Plastic Surgery Residents and Fellows

First use of Cell Enriched Fat Grafting Controlled Study

**3<sup>rd</sup> International Conference: Regenerative Surgery**

***Rome, Italy, December 14-16, 2011***

Lecture: Facial Rejuvenation with Structural Fat

Lecture: Stromal Vascular Fraction & Cell Enhanced Fat Grafting: Safety and Efficacy

Lecture: The regenerative Potential of Fat Tissue

**The Cutting Edge 2011: Aston-Baker Aesthetic Surgery Symposium**

***New York City, December 1-3, 2011***

Lecture: Current Concepts in Fat Grafting and Transfer: Truths, Myths, Stem Cells and the Future of Fat Grafting

Lecture: Harvesting, Processing and Injecting Fat: Which technique is Best? The LipoStructure® Technique

Lecture 15-Year Experience and Results in Shaping the Breast Using Autologous Fat Transfer

Lecture: 20-Year Evaluation of Structural Fat Grafting for Facial Rejuvenation: Complications, Revisions, Longevity, Lessons Learned

**French Society of Plastic Surgery (Société Française de Chirurgie  
Plastique Reconstructrice et Esthétique 56ème Congrès National)**

***Paris November 21, 2011***

One Hour Keynote Lecture: LipoStructure in 2011: From Anecdotes to Scientific  
Studies (« La lipostructure en 2011 » Transfert de graisse: de l'anecdote à  
l'étude scientifique)

Mentor Fat Grafting Workshop (2 hours)

**NYU School of Medicine's Breast Reconstruction: State of the Art**

***New York City, November 18-19, 2011***

Lecture: Fat grafting to the breast

**American Society of Dermatologic Surgery**

***Washington, DC, November 5,6, 2011***

Lecture: The Future of Autologous Fat in the World of Hyaluronic Acids

Lecture: Applying Scientific Data to Maximize the Effect of Transplanted fat

**Miami IFATS 2011 Conference,**

***Miami Florida, November 4, 2011***

Panel: Clinical fat grafting: State of the art

Moderator: Clinical Sciences

**International Symposium of Plastic Surgery in the 21<sup>st</sup> Century**

(Simposio Internacional de Cirugia Plastica "Siglo XXI")

***Buenos Aires, October 28-29, 2011***

Lecture: Breast augmentation with fat

Lecture: Facial rejuvenation

Lecture: The science of fat grafting techniques

Panel: Facial rejuvenation

Video Surgery Workshop: Placement into the periorbital region

American Society of Maxillofacial Surgeons & European Association for  
Cranio-Maxillo-Facial Surgery presents

**Solutions to Complex Craniofacial Problem: Aesthetic and Orbit 2011-  
Ten Years Later: Perspectives and Advances in Orbital, Cranio-Orbital  
Pathology & Surgery**

***Ferrara Italy, October 13-16, 2011***

Keynote Lecture: New approaches to fat grafting with reconstruction and  
regeneration

Lecture: The developing science behind structural fat grafting

**Webinar: Stem Cells: Science and Clinical Applications**

Sponsored by American Society of Aesthetic Plastic Surgery

***Online: Peter Rubin, MD Moderator, October 4, 2011***

Lecture: The Science Behind Structural Fat Grafting

**Reconstructive Surgery Symposium ASPS**

***Denver Colorado, September 22, 2011***

Lecture: Fat grafting solutions to reconstructive and aesthetic problems of the face

**American Society of Plastic Surgery Annual Meeting**

***Denver Colorado, September 23-27, 2011***

Panel: Controversies and Complications in Fat Grafting for the Breast and Face

Panel: Complications of lower eyelid/cheek surgery

Instructional Course: Fat Grafting in Breast Surgery

**4<sup>th</sup> International Symposium Fondazione Sanvenero Rosselli: Fat Injection and Tissue Regeneration. Improved techniques for achieving better outcomes**

***Milan Italy September 17, 2011***

Lecture: Effects of centrifugation of lipoaspirate to fat grafting.

Lecture: Upper facial rejuvenation with structural fat grafting

Lecture: LipoStructure to the breast

Lecture: Accelerating evolution of fat transplantation in the last 25 years. What's in the future?

**2<sup>nd</sup> International Meeting on Aesthetic and Reconstructive Facial Surgery,**

***Kos, Greece, September 1-3, 2011***

Keynote Address: The Science behind Structural Fat Grafting

Lecture: Facial LipoStructure

Panel: Eyelids: Tear trough fat reconstruction

**Yale University Medical Center Visiting Professor**

***New Haven, Connecticut, August 17, 2011***

Spent day with residents

Case Presentation

Grand Rounds Lecture

**Mentor Innovative Training**

***Dallas, Texas August 12-13, 2011***

Lecture & Workshop Lab with Models: LipoStructure Principles

**University of Pittsburgh Medical Center**

with the Armed Forces Institute of Regenerative Medicine

***Pittsburgh, Pennsylvania August 8, 2011***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD and teaching UPMC Plastic Surgery Residents and Fellows

**From Fat Reinjection to Regenerative Medicine: Stem Cell: Today's indications, tomorrow's applications**

***Marseille, France July 9, 2011***

Chairman of session: Adipose derived Regenerative cells - stem cells  
Lecture: The evolution of LipoStructure: from Filling to Regeneration

**3<sup>rd</sup> Eurasian International Aesthetic Surgery Course,  
*Istanbul, Turkey, June 24-26, 2011***

Lecture: Breast Augmentation with Fat Grafting  
Lecture: Breast Reconstruction Using Fat Grafting in Radiated Breast  
Special Presentation: A Scientific Approach for Fat Grafting  
Interactive Video Presentation: Fat Grafting to the Face

**PSF Technology Innovation in Plastic Surgery  
*San Francisco California June 17-19, 2011***

Lecture: Evolution of Facial fat rejuvenation-stem cell role?

**Aesthetic Plastic Surgery and Anti-Aging Medicine: The Next Generation**

***New York, NY June 10-12, 2011***

Lecture: Stem Cell Therapy FDA Status  
Moderator and Lecturer: The Future of Anti-Aging Module  
Panel: Questions & Future Trends in Aesthetic Plastic Surgery/Anti Aging Medicine  
Lecture: Cryolipolysis: Non-invasive Body Contouring  
Lecture: Density Fractions of Lipoaspirate: Implications in Fat Graft Survival  
Panel: The Role of Autologous Fat Grafting/ADSC in Clinical Practice  
Video Course: Structural Fat Grafting in Facial Rejuvenation

**American Society of Aesthetic Plastic Surgery Annual Meeting  
*Boston May 7, 2011***

Lecture: Finesse in structural fat augmentation - restoring youthful facial shape  
Lecture: Correction of secondary face lift deformities with volumetric enhancement  
Lecture: Breast augmentation utilizing autologous fat transplantation  
Lecture: Correction of secondary liposuction deformities  
Panel: Controversies in Plastic Surgery & Hand Rejuvenation – Addressing Skin & Volume

**Boston Breast Workshop**

***Boston, Massachusetts May 4&5***

Lecture: What are 3 most important variables in success, including: Preferred Cell Density and What this Means in Breast Augmentation  
Panel: Controversies in Technique of Fat Grafting  
Panel: Difficult Cases in Fat Grafting and Their Solution  
Interactive Video Presentation: Structural Fat Grafting in Breast Surgery

**University of Pittsburgh Medical Center**  
with the Armed Forces Institute of Regenerative Medicine  
***Pittsburgh, Pennsylvania April 25, 2011***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

***New Orleans, Louisiana April 14-17, 2011***

Lecture: Developing Science Behind Structural Fat Grafting  
Lecture: Facial Rejuvenation with Fat Grafting More Than Filler  
Instructional Course: Structural Fat Grafting  
Panel: Fat Grafting to the Breast  
Lecture: Fat Grafting to the Face and Body: Primary and Secondary Procedures

**American Association of Plastic Surgeons**  
***West Palm Beach Florida April 8-10, 2011***

Lecture: The Role of Fat Injection in Facial Rejuvenation and Breast Augmentation

**University of Pittsburgh Medical Center**  
with the Armed Forces Institute of Regenerative Medicine  
***Pittsburgh, Pennsylvania March 14, 2011***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

**Miami Fat Graft Workshop: Breast Augmentation & Reconstruction**  
***Miami Florida February 13, 2011***

Lecture: History of Fat Grafting to the Breast  
Lecture: Effect of Fat Grafts on Irradiated Tissue  
Lecture: Syringe Harvesting Technique, Harvesting Cannulas  
Lecture: Sedimentation vs. Centrifugation

**45<sup>th</sup> Annual Baker Gordon Educational Symposium**  
***Miami February 10-12, 2011***

Lecture: Current Concepts in Fat Transplantation – Truths, Myths and Stem Cells  
Lecture: Artistic Concepts in Shaping the Breast Utilizing Autologous Fat Transfer  
Panel: Changing Concepts in Breast Surgery  
Interactive Video Presentation: Structural Fat Grafting in Breasts  
Lecture: Structural Fat for Facial Rejuvenations – 20 Years Later – Lessons Learned  
Panel: Combining Facial Rejuvenation with Volume Restoration  
Interactive Video Presentations: Structural Fat Grafting for Facial Rejuvenation

**University of Pittsburgh Medical Center**  
with the Armed Forces Institute of Regenerative Medicine  
***Pittsburgh, Pennsylvania January 7, 2011***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

**12th Conference of Pan Arab Association of Plastic, Reconstructive, Aesthetic and Burn Surgery**

***Doha, Qatar December 11-15, 2010.***

- Lecture: Comparison of Fat Grafting to Other Fillers
- Lecture: Developing Science Behind Structural Fat Grafting
- Lecture: Effects of centrifugation of Lipoaspirate on Fat Graft Survival
- Lecture: The Safety of Single Use and Reusable Fat Grafting Cannulas
- Lecture: Effect of Fat Grafting on Therapeutic Radiation and Other Ischemic Diseases
- Lecture: The correction of Iatrogenic Liposuction Deformities
- Lecture: Effect of Fat Grafting on Acute Thermal Injuries

**University of Pittsburgh Medical Center**

with the Armed Forces Institute of Regenerative Medicine

***Pittsburgh, Pennsylvania December 6, 2010***

- Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD and teaching UPMC Plastic Surgery Residents and Fellows

**The 30th MEETH Aesthetic Surgery Symposium**

***New York City, NY October 26, 2010:***

- Lecture: Basic Techniques and the Science of Fat Grafting
- Lecture: Fat Grafting as a Regenerative Agent
- Panel: The Importance of Fat Grafting

**IFATS: International Federation of Adipose Therapeutics and Science, Dallas, Dallas Texas, October 21-24, 2010**

- Paper presented: Effects of centrifugation of Lipoaspirate on Fat Graft Survival
- Paper presented: Effect of Fat Grafting on Therapeutic Radiation
- Lecture: Reconstructive and Regenerative potential of fat grafting.

**Quality Medical Publishing (QMP) Aesthetic Surgery Symposium**

***Chicago October 28-31, 2010***

- Lecture: Fat Grafting: Applications & Technique
- Lecture: Facial Rejuvenation With Fat Grafting: More than Filling
- Lecture: Fat Grafting to the Breast and Body: Primary & Secondary Procedures
- Master Class: The effects of Transplanted Fat on Aging Skin

**University of Pittsburgh Medical Center**

with the Armed Forces Institute of Regenerative Medicine

***Pittsburgh, Pennsylvania October 8, 2010***

- Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD and teaching UPMC Plastic Surgery Residents and Fellows

**Annual Meeting of the American Society of Plastic Surgery**  
***Toronto, Canada October 2-7, 2010***

Panel: Improving Craniofacial Surgery - Lessons from Cosmetic Surgery  
Course: Fat Grafting in Breast Surgery  
Panel: Cosmetic Rejuvenation of the Hand

**2010 World Congress on Liposuction Surgery**  
***Washington, DC October 1-3, 2010***

Featured Speaker: The Developing Science Behind Structural Fat Grafting  
Master Video Presentation: Fat Grafting into the Face and Nose

**IQUAM: International Committee for Quality Assurance, Medical Technologies & Devices in Plastic Surgery**  
***Bratislava, Slovakia September 23-26, 2010***

Lecture: Comparison of Fat Grafting to Other Fillers  
Lecture: Developing Science Behind Structural Fat Grafting  
Lecture: Effects of centrifugation of Lipoaspirate on Fat Graft Survival  
Lecture: The Safety of Single Use and Reusable Fat Grafting Cannulas  
Lecture: Effect of Fat Grafting on Therapeutic Radiation and Other Ischemic Diseases

**University of Pittsburgh Medical Center**  
with the Armed Forces Institute of Regenerative Medicine  
***Pittsburgh, Pennsylvania July 30, 2010***

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

**Canadian Society of Plastic Surgeons 64th Annual Meeting Société  
Canadienne des Chirugiens Plasticiens**  
***Halifax, Nova Scotia, June 15-19, 2010***

Eye Opener: Structural Fat Grafting for Rejuvenation and Reconstruction  
AW Farmer Memorial Lectureship: The Developing Science Behind Structural fat  
Grafting Technique

**The Nordic Plastic Surgery Conference NORDISK  
PLASTIKKIRURGISK FORENINGSS XXXIII KONGRES**  
***Reykjavik, Iceland 10 – 12 June 2010***

Keynote Speaker on Fat Grafting

**CATFAS Meeting III Controversies, Art and Technology in Facial  
Aesthetic Surgery**  
***Ghent, Belgium June 4-6, 2010***

Lecture: Fat injection: from filling to regeneration  
Panel: The Place of Fat Injection in Facial Rejuvenation Surgery  
Lecture: Innovations in structural fat grafting

**Xth Spring Academy of the VDAEPC (Association of the German Aesthetic Plastic Surgeons) in cooperation with DGÄEPC German Society of Aesthetic Plastic Surgery integrating the 3rd Congress of EASAPS (European Association of Societies of Aesthetic Plastic Surgery) Aachen, Germany, June 3-5, 2010**

Panel Chairman: Liposculpturing of the face  
Lecture: Improving the predictability of facial LipoStructure  
Lecture: The correction of iatrogenic liposuction deformities  
Lecture: LipoStructuring of the Hands

**European Association of Plastic Surgeons (EURAPS) Annual Meeting Manchester, UK, May 27-29, 2010**

Paper presented: Improvement in Radiation Injury following Fat Grafting

**University of Pittsburgh Medical Center  
with the Armed Forces Institute of Regenerative Medicine  
Pittsburgh, Pennsylvania May 21, 2010**

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

**Advanced Orbital Surgery Symposium A Tribute to Joseph S. Gruss, MD and Paul N. Manson, MD  
Baltimore, Maryland, May 13-15, 2010**

Lecture: Use of Free Fat Grafting in Periorbital Deformities

**University of Pittsburgh Medical Center  
with the Armed Forces Institute of Regenerative Medicine  
Pittsburgh, Pennsylvania April 30, 2010**

Craniofacial/Maxillofacial Operations using Structural Fat with Peter Rubin, MD  
and teaching UPMC Plastic Surgery Residents and Fellows

**Facial Aesthetic Conference of Egypt  
Golf El-Solimanyaa Resort,  
Cairo, Egypt April 1-3, 2010**

Keynote Lecture/Course: Structural Fat Grafting  
Lecture: Facial Lipofilling

**The Aesthetic Meeting 2010 The Annual Meeting of the American Society of Aesthetic Plastic Surgery (ASAPS) and ASERF  
Washington, DC, April 22-27, 2010**

Panel: "Periorbital Rejuvenation: Using the Needle to Achieve Safe and Desirable Outcomes

**3rd MEGA HAND International Symposium—Hand and Upper Limb Aesthetics: from reconstruction to rejuvenation**

***Paris, France, March 19-20, 2010***

Guest of Honor Address: Rejuvenation, refilling and regeneration of the hand with fat grafting

Moderator: Hand and Upper Limb (forearm and biceps) Fat Grafting

**Visiting Professor Plastic Surgery Department of Marseilles, France Graduation Exercises and Scientific Meeting on Stem Cells and Fat Grafting: Organizer and Chairman Guy Magalon**

***Marseilles, France March 22,23, 2010***

Lecture: Innovative Techniques for Fat Grafting

Lecture: Perioral LipoStructure

Lecture: Periorbital LipoStructure

**ASPS Back to Basics: Perspectives and Advances in Plastic Surgery Symposium—An Evidence-Based Approach to Optimizing Outcomes**

***Snowbird, Utah, March 12-14, 2010***

Lecture: Fat Injection Efficacy Update

Lecture: Correcting Liposuction Abnormalities with Fat

Panel Discussion: Fat Injections—Has the Case Been Made?

**Plastic Surgeons Association of Las Americas**

***Los Cabos, Baja California Mexico February 25-28, 2010***

Lecture: A new animal model to study human fat grafts

Lecture: Concentrating fat for better results

**Breast Fat Grafting Workshop (Organizer Roger Khouri)**

***Miami, Florida February 14, 2010***

Lecture: History of Fat Grafting to the Breast

Lecture: Effect of Fat Grafts on Irradiated Tissue

Panel: Syringe Harvesting Technique

Panel: Harvesting Cannulas

Panel: Sedimentation vs. Centrifugation

Panel: Percutaneous Mesh Release of Adhesions

Panel: Grafting with different sizes of syringes

Panel: Expansion Benefit, Protocol & Timing

**American Alpine Workshop in Plastic Surgery**

***Jackson Hole, Wyoming February 1-5, 2010***

Lecture: Treatment of Lateral Facial Atrophy after Therapeutic Radiation

Lecture: Necrosis after Leg Fat Grafting

Lecture: Iatrogenic Liposuction Deformity treated with Fat Grafting

Lecture: Graded Densities with Structural Fat Grafting

**ASPS/ASAPS/PSEF Expanding Horizons Symposium: New Paradigms in Aesthetic Plastic Surgery**

***Las Vegas Jan 2010***

Lecture: Structural Fat Grafting: Basic Technique and Science

Panel: Fat Filler and Resurfacing

Panel: Cosmetic Surgery Practice in a Down Economy: Insights and Strategies for Survival

Lecture: Cryolipolysis: An Emergent Technology

Lecture: Structural fat for aesthetic and functional restoration of the Nose

Panel: Body Contouring

**1st International Conference of Regenerative Surgery**

***Rome: Villa Mondragone December 9-11, 2009***

Keynote speech: "Structural Fat Grafting: The New Interface of Plastic Surgery and Regenerative Medicine

Panel: Fat Grafting towards the Future of Surgery and Medicine

**Aesthetic Plastic Surgery: the Next Generation Symposium**

***New York City, December 4-6, 2009***

Lecture: Adipose Transplants In Breast Augmentation

Lecture: The role of fat in facial rejuvenation

Lecture: Stem Cell Facelift

Lecture: Cryolipolysis: Non-invasive Fat Removal

Lecture: The Science Behind Fat Grafting

**Texas Hospital For Advanced Medicine**

***Dallas Texas November 14, 2009***

Keynote Speaker: Personal Experience with the Development and Application of LipoStructure: Use of Stem Cells and the Future for These Techniques

**Annual Meeting of the American Society of Plastic Surgery**

***Seattle, Washington October 23-27, 2009***

Panel Moderator: Reconstructive Uses of Facial Fat Grafting

Course: Breast Augmentation with Structural Fat

**Royal Belgian Society for Plastic Surgery**

***Liège, Belgium October 10, 2009***

Lecture: The evolution of fat grafting: from soft tissue augmentation to regenerative medicine

Lecture: Fat Transfer—State of the Art"

Lecture: Recent innovations in Structural Fat Grafting

Lecture: Reshaping by Cryolipolysis

**British Association of Aesthetic Plastic Surgeons BAAPS Incorporating  
the Second Congress of European Association of Societies for  
Aesthetic Plastic Surgery EASAPS**

***Cardiff, Wales, UK, September 16, 2009***

Key Note Lecture: Fill, restructure & regenerate with Structural Fat Grafting: the art  
with the science

Panel: Volume Restoration

**Quality Medical Publishing (QMP) Aesthetic Surgery Symposium**

***Chicago September 2009***

Lecture: Fat Grafting: Applications & Technique

Lecture: Facial Rejuvenation With Fat Grafting: More than Filling

Lecture: Fat Grafting to the Breast and Body: Primary & Secondary Procedures

Master Class: The effects of Transplanted Fat on Aging Skin

**FAT INJECTION and TISSUE REGENERATION: New  
Frontiers Associazione Amici della Fondazione G. Sanvenero Rosselli  
*Milano, Italy September 19, 2009***

Lecture: Reshaping fat by Cryolipolysis

Lecture: Structural Fat Grafting: Innovations

Lecture: Structural Fat Grafting: Update on Regional Placement

Lecture: Microfat grafting—Direction for Research

Lecture: Fat Grafting to the Lips

Lecture: Fat injection into the breast: Old and New

Lecture: Safety issues and future Perspectives

**Controversies and Conversations in Cutaneous Laser Surgery**

***Bermuda August 13-16, 2009***

Lecture: Cryolipolysis

***Visiting Professor***

**University of Texas Medical Branch**

***Galveston, Texas July 31, 2009***

Lecture: Structural Fat Grafting: Rejuvenation Through Restoration of Volume and  
Repair of Aging Skin

Lecture: Structural Fat Grafting for Reconstruction and Repair:

Lecture: Treatment of Therapeutic Radiation Damage, Scars, Extremity and Head &  
Neck Defects

**Beauty through Science Akademikliniken's  
5th International Aesthetic Symposium  
*Stockholm, Sweden, June 2009***

Press Conference

Panel Chairman: Alternatives to Breast Implants

Lecture: Fat transplantation technique to the female breast, safety, predictability and surgical technique

Lecture: Facial fat grafting—indications, patient selection, treatment techniques and complications

Course: Comprehensive fat grafting course

**American Society of Aesthetic Plastic Surgery Annual Meeting  
*May 3-7, 2009 Las Vegas***

Panel: Liposuction 20 years later: The correction of Iatrogenic Liposuction Deformities

Panel: Treatment of Tear Trough Deformity

Course: Non-autologous Soft Tissue Fillers an International Experience

Course: Correction of Nasal Deformities with Structural Fat

**The Spectrum of Non-Surgical Options for Face and Body  
Rejuvenation: What's Available, What's New, What's on the Horizon  
*Las Vegas May 2, 2009***

Lecture: Cryolipolysis
