MEDICAL LICENSES

SINCE

New York

1985

Pennsylvania

2010

Florida

2013

CERTIFICATION

Certified by the American Board of Plastic Surgeons

1992

ACADEMIC APPOINTMENTS

-
1. New York University Langone Medical Center, Hansjörg Wyss Department of Plastic Surgery
Institute of Reconstructive Plastic Surgery
Clinical Assistant Professor Since 2005

 2. University of Pittsburgh Medical Center , Department of Plastic Surgery
Adjunct Clinical Assistant Professor Since 2010

HOSPITAL AFFILIATIONS

NYU Langone Medical Center

New York, NY

Manhattan Eye, Ear, & Throat Hospital

New York, NY

**University of Pittsburgh Medical
Center**

Pittsburgh, PA

EDUCATION

Undergraduate

University of Texas at Austin
Plan II Honors Program

1972-1974

Medical School

University of Texas Medical Branch
Galveston, Texas

1974-1978

General Surgery Residency

Ochsner Foundation Hospital
New Orleans, Louisiana

1978-1981

Plastic Surgery Residency

St. Francis Memorial Hospital
San Francisco, California

1982-1985

Aesthetic Surgery Fellowship

Manhattan Eye, Ear, & Throat Hospital
NYU Medical Center Institute of
Reconstructive Plastic Surgery

1985 6months

PROFESSIONAL ORGANIZATIONS

ISPRES: International Society for Plastic Surgery Regenerative Surgery

Founding Member
Secretary General 2012-2015 / Treasurer 2016
President of ISPRES Congress Rome 2012
President of ISPRES Congress Berlin 2013
Scientific Chairman of ISPRES Miami 2014

IFATS: International Federation of Adipose Therapeutics and Science

Current Board member 2016
Co-President 2013

ASPS: American Society of Plastic Surgery/Plastic Surgery Educational Foundation

2014 ASPS Trustees' Award for Special Achievement
Co-chairman of ASPS's Aesthetica January 2015 Meeting in Las Vegas
Jacques W. Maliniac Circle: Maliniac Fellow
Co-Chairman of Emerging Trends and Hot Topics Committee
Committees: Regenerative Medicine Research Workgroup
Regenerative Medicine Subcommittee of Legislative Advocacy Committee 2015- Present
Program committee for 2013 Regenerative meeting
Technology Transfer and Translation Committee

ABPS: American Board of Plastic Surgery

Member

AAPS: American Association of Plastic Surgery

Member

ASAPS: American Society of Aesthetic Plastic Surgery

Committee Member: Media Relations Committee
Committee Member: Nonsurgical Procedure Immediate Response Committee

ISAPS: International Society of Aesthetic Plastic Surgery

Member

ICAPS: International Consortium of Aesthetic Plastic Surgeons

Founding Member

AAWPS: American Alpine Workshop in Plastic Surgery

Member

NESPS: Northeastern Society of Plastic Surgeons

Member

FSPS: Florida Society of Plastic & Reconstructive Surgeons: Member

CSPS: Canadian Society of Plastic Surgeons: Honorary Member

Harry Buncke Microsurgical Society (founding member)

OFFICER FOR FOLLOWING RECENT OR PLANNED CONGRESSES AND MEETINGS

- Co-Principal Investigator: Allograft Adipose Matrix (AAM) in Subcutaneous Dorsal Wrist. 16-week pilot study by the **Musculoskeletal Foundation (MTF)** to assess short term outcomes of an injectable allograft adipose matrix (AAM) in the subcutaneous space in the dorsum of the wrist.
- Co-chairman for the American Society of Plastic Surgeons' (ASPS) **Aesthetica 2015** meeting Las Vegas April 29-May 5, 2015 and combined the concepts of Complications, Dueling Perspectives, TIPS, and Regenerative Medicine from all other satellite meetings of the ASPS.
- Board member of IFATS, and was the 2013 Co-President of the **International Federation for Adipose Therapeutics and Science (IFATS)** and was Co-president of their annual meeting which met in New York City November 21-24, 2013
<http://www.ifats.org/ifats-new-york-2013/>.
- Secretary General of the **International Society of Plastic Regenerative Surgery (ISPRES)** <http://www.ispres.org>, and past President and primary organizer of their first two Congress which met in Rome in 2013, and Berlin June 6-8, 2013 <http://ispresberlin2013.com>, and Scientific Director for meeting held in September 10-14, 2014 in Miami
<http://www.qmp.com/ispres/congress2014/>.
- Co-Chairman of the **5th International Symposium of Fat Injection and Tissue Regeneration** at the Fondazione G. Sanvenero Rosselli in Milan September 14, 2013
<http://www.fondazione-sanvenero.org/i-corso-140913.html>
- Co-Chairman of the Plastic Surgery section of the **Cell Society Europe Meeting in Marseilles**, France November 1-2, 2013 <http://www.plastic-aphm.fr>
- Co-President of the Fourth and Fourth and Fifth **International Conference of Regenerative Surgery** held in Rome December 2012 and 2013
<http://www.regenerativesurgery.it> . Future Co- President of the upcoming Sixth International Conference of Regenerative Surgery in Rome December 11-13, 2014.

RECENT RESEARCH PROJECTS AND GRANTS

Armed Forces Institute of Regenerative Medicine

Biomedical Translational Initiative at the University of Pittsburgh Medical Center (UPMC)
Co-Investigator with Peter Rubin of the following ongoing research projects at the UPMC Center for Innovation in Restorative Medicine (CIRM) funded by the Department of Defense Studies through the Armed Forces Institute of Regenerative Medicine:

1. Biomedical Translational Initiative (BTI) entitled, "Structural Fat Grafting for Craniofacial Trauma"
2. Biomedical Translational Initiative (BTI PLUS UP) entitled, "Structural Fat Grafting form Craniofacial Trauma: Repeat Fat Grafting Injection-5 Subject Cohort"
3. Biomedical Translational Initiative (BTI ++) entitled, "Structural Fat Grafting for Craniofacial Trauma-cotton rolling technique"
4. Armed Forces Institute for Regenerative Medicine (AFIRM): Autologous Derived Stem Cell Therapy for Soft Tissue Reconstruction After Facial Trauma (TGI and Manual) respectively entitled: Structural Fat Grafting for Craniofacial Trauma: Effect of Concentrating Endogenous Stromal Cells in the Fat Graft using the Tissue Genesis Cell Isolation System™ (CIS) device (TGI)
5. Armed Forces Institute for Regenerative Medicine (AFIRM): Autologous Adipose Derived Stem Cell Therapy for Soft Tissue Reconstruction After Facial Trauma (Addendum)(AMP5) entitled, "Enriched Autologous Fat Grafting for Treating Pain at Amputation Sites"
6. Autologous Fat Grafting for Treating Pain at Amputation Sites; A Prospective Randomized Trial (AMP30) entitled, "Adipose Stromal Cell Enriched Autologous Fat Grafting for Treating Pain at Amputation Sites: A Single Center Site, Prospective, Randomized, Pilot Outcomes Trial"

AWARDS (PARTIAL LIST)

October 2014 ASPS Trustees' Award for Lifetime Achievement –*Highest award gives by the American Society of Plastic Surgery*

July 2014: Designated “Distinguished Honorary Advisor of Adipose Stem Cell in Plastic Surgery” by the Shanghai Life Science and Technology Co. Ltd

May 2008 Jerome R Klingbell, MD Award for Teaching Excellence (over 100 hours of lectures at ASAPS) American Society of Aesthetic Plastic Surgery

November 2006 French Society of Plastic & Reconstructive Surgery in Marseilles
Société Française de Chirurgie Plastique Réparatrice et Esthétique
Medallion award “*en témoignage de reconnaissance*”

September 2004 Korean Society for Lipoplastic Surgery in Seoul
Special Award In Appreciation of “outstanding contribution to the development of our specialty here in Korea”

September 2004 Society of Plastic & Reconstructive Surgeons of Thailand in Bangkok
Awarded a Certificate of Appreciation “In Recognition of Your Distinguished & Outstanding Presentations”

November 2003 Università Degli Studi di Roma Tor Vergata, Rome, Italy
Awarded a Medal of the Commune of Rome by former Roman senator, *Carlo Umberto Casciani*, after a special lecture at the Forum of Rome

January 2003 American Academy of Cosmetic Surgery
Award in Recognition of Excellence in Cosmetic Surgery

VISITING PROFESSORSHIPS (PARTIAL LIST)

February 2012 University of California Visiting Professor Lecturer

August 2011 Yale University Medical Center Visiting professor

August 2009 University of Texas Medical Branch at Galveston: Visiting Professor

July 2008 University of California, Davis Visiting Professor

November 2007 University of Pennsylvania Medical Center
Ivy Visiting Professor of Plastic Surgery Ivy Lectureship

November 2006 Virginia Hospital Center, Arlington Virginia
Dolan Lectureship

June 2006 University of Texas MD Anderson Cancer Center
Visiting Professor

December 2005 University of Pittsburg Medical Center Visiting Professor

November 1998 Università Degli Studi di Roma Tor Vergata Rome, Italy
Visiting Professor

December 1997 Georgetown University Plastic Surgery, Washington, D.C.
Visiting Professor
